SUBJECT: Business Initiative Council's (BIC) Approval of Initiatives

On 31 May 2002 the Business Initiative Council approved 10 initiatives from the military departments and defense agencies to be Pioneer Projects in support of the President's Management Agenda initiative on Competitive Sourcing. These initiatives are listed in the attachment.

Execution of these 10 Pioneer Projects should begin now and should be visibly reflected in the FY04-09 POM (or associated BES materials) and ultimately in the budget submitted to the Congress. These projects will be an interest item to OMB during the combined Program and Budget review. Components should be ready to discuss them at that time.

Additionally, the BIC's Core Competencies Process Functional Board will soon create an implementation plan for the entire "Alternatives to A-76" program, of which the Pioneer Projects are only a first step.

E.C. ALDRIDGE, JR.

Chairman, Business Initiative Council
